Parish Council message

● As has been noted in recent Parish Council messages, a delegation of St Mary's Parish leadership met with the Diocesan Building Commission (DBC) in mid-June to present the parish's proposal for the construction of a new worship space and church-related facilities on the parish's vacant land between its cemetery and Kraft Drive. Bishop Kettler and the DBC are currently reviewing the proposal and presentation-related documents and are expected to respond to the parish with their preliminary approval and/or recommendations in July.

● While awaiting the response from the DBC, work by the Parish Council, Church Building Team, St Mary's School Board and the volunteer committee members is continuing to address such matters as technology and acoustical issues, project finance, refurbishing the stations and the school lunch program.

● We are praying for the individual and family involved in the arson case. We pray that they will receive the assistance, support and help needed in this difficult time and that we will find it in our hearts to forgive the individual involved.

● We continue to be grateful for all of your support and prayers as we move forward together as we build a new church for our parish.

Praise be to God, always! You know, my year among you seems to have flown by so fast. Of course, I was a little surprised when the bishop wanted me to come to serve among you as a parochial vicar since I came here as a seminarian for the "teaching parish program." But I am so grateful to God that I had the opportunity to serve among you for even a year.

One of the ways the will of the Lord for me is communicated is through my bishop, to whom I promised obedience when I was ordained. He thinks I am now ready to begin my life as a pastor. I am confident that my "yes" to him in this matter is a "yes" to my Lord, and that is a source of joy for me!

So many of you expressed such gratitude and support, thank you! Thank you, Fr. Marv, for your witness and nearly-constant cheerfulness. I am excited, not about moving, but about the opportunity to now go and serve the people of Staples and Motley as their pastor. In such a beautiful way, the pastor gets to be a kind of spiritual father for the people he serves.

You will all continue to be in my prayers just as you already have won a place in my heart. May God bless and keep you always, so everything you think and say and do might abound to His glory and the salvation of souls.

~Fr. Gabriel

On Liturgy – Anointing of the Sick --Chris Calderone

Today's Gospel gives us powerful accounts of Jesus healing the sick and even raising the dead. Healing the sick is a primary mission of the disciples, and it continues today through our last sacrament of study: Anointing of the Sick. This sacrament was previously associated with "Viaticum" – literally, "food for the journey", given as Communion right before death. Today, it is understood as a sacrament of healing for the body, mind, and spirit, regardless of how close death might be.

The primary sacramental symbol is the Oil of the Sick, reserved in the ambry for this sacrament. The ambry – and this holy oil – may serve as reminders of God's healing power. We might thus consider locating the ambry near the Reconciliation Room, or perhaps near the healing waters of the Baptismal font, as the ambry also reserves the Sacred Chrism and the Oil of the Catechumenate.
Anointing of the Sick is celebrated in a variety of settings, often privately. However, the sacrament can be celebrated communally in a church. Similar to Holy Communion, proper planning of seating and aisles to ensure an efficient flow of the assembly, as well as generous space for ministers to administer the sacrament, will prove helpful. God's healing mercy is experienced in many ways beyond the sacraments. How will our new church provide a sense of healing and wellness for those who enter it – in body, mind, and spirit?

Congratulations to Nick Kelzer and Brenda Nathe who were elected to a three year term on the St. John's Parish Council.

A Park planning committee has been formed to work on improving and beautifying our school playground into the "St. John's Community Park". Plans are to clean up the grounds by edging the pea rock, planting grass and trees where the tennis court was and other areas for shade, a school memorabilia bench, and resetting the angel.

Future plans include a pavilion, one hoop basketball platform, and additional playground equipment. This will require a community effort and your support is needed. Contact a committee member if you would like to offer your help or contribute monetarily to this effort.

A fundraiser " Meire Grove Harvest Festival will be held on Saturday, September 1st starting with a 4:00 p.m. Mass on the grounds by the cemetery with our beautiful chapels open for viewing. After Mass there will be food, refreshments, and music by Fr. Marv, Marcie Welle, and Donny Brang in the city hall.
